

## Namasté Solar Residential Service Offerings

We have technicians operating out of both Denver and Boulder. We are committed to servicing residential solar PV systems up and down the Front Range, regardless of if we were the original PV installer. Here are some of the services we perform:

Flat Rate Service Calls	Variable Rate Service Calls	Warranty Work	We Do NOT Service
<ul style="list-style-type: none"> <li>✓ PV System inspection</li> <li>✓ Inverter diagnosis &amp; repair</li> <li>✓ Monitoring diagnosis &amp; repair</li> </ul>	<ul style="list-style-type: none"> <li>✓ Inverter installation</li> <li>✓ Animal guard installation</li> <li>✓ Animal damage repair</li> <li>✓ Module repair &amp; replacement</li> <li>✓ Microinverter repair &amp; replacement</li> <li>✓ Optimizer repair &amp; replacement</li> <li>✓ eGauge installation (monitoring)</li> <li>✓ Solar PV system repair (roof or ground)</li> <li>✓ Snow guard installation</li> <li>✓ EV charger installation</li> <li>✓ Storage installation (batteries)</li> <li>✓ Service upgrade</li> <li>✓ Deinstallation/Reinstallation (DeRe)</li> </ul>	<ul style="list-style-type: none"> <li>✓ ABB (PowerOne/Aurora)</li> <li>✓ AE (PVPowered)</li> <li>✓ Certainteed</li> <li>✓ Delta*</li> <li>✓ Enphase*</li> <li>✓ Fronius</li> <li>✓ Kaco*</li> <li>✓ Schneider (Xantrex)*</li> <li>✓ SMA</li> <li>✓ Solaredge</li> <li>✓ SunPower</li> <li>✓ LG</li> <li>✓ Hyundai</li> <li>✓ Kyocera</li> <li>✓ And more</li> </ul> <p><i>*labor rates may apply</i></p>	<ul style="list-style-type: none"> <li>x Solar thermal or solar hot water</li> <li>x Off-grid or battery back-up (unless installed by Namasté Solar)</li> <li>x Solar PV systems in Colorado Springs</li> </ul>
